QUALIFICATIONS | |

BACHELOR DEGREE IN COMPUTER SCIENCE

MICHAEL OKPARA UNI OF AGRICULTURE, UMUDIKE 2013-2017

This Four-year Computer science course made me understand more about computer systems and I was privileged to learn so many programming languages like Java, Visual Basic etc.

I also understood theory of computations, concepts, algorithms and system operations. The course also involved a great deal of mathematics, statistics and basic science concepts which helped me improved in my reasoning and analysis.

WORK EXPERIENCE | |

CHIEF EXECUTIVE OFFICER

HOPEFUL ME : 2017 - DATE

Developing the website and the App was a huge task, handling the administrative section too is very challenging. All these things have helped build my development and management skills.

JUDICIARY

AFFIDAVIT OFFICE, ENUGU STATE HIGH COURT: 2018 - 2019

As a Youth Corps Member, I worked as a judiciary in the Affidavit department, Enugu State High Court. My Job description requires that I do the basic computer operations which includes to type and print Affidavit/oaths for the deponents. And I am also required to interact with these clients so as to understand the actual situation and know the exact affidavit they want.
